

Recycling and Compost Facilities FAQ

Bryan Drive-in Recycling Center

2202 Briarcrest Drive, Bryan, Texas
(Located in the parking lot of Super Wal-Mart)
(979) 209-5675 / (979) 209-5959 Fax
Hours: Monday-Saturday 8:00 a.m. - 5:30 p.m.
Sunday 12 p.m. - 5:30 p.m.

Why don't you take "green or blue glass" at the Recycling Center?

We are limited by the companies that actually recycle the materials as to what we can accept at our facility. Our end user in this region does not accept the green or blue glass from the City of Bryan because there are not a lot of products created from these materials.

Will the City of Bryan ever offer curbside recycling?

This is the most commonly asked question from our residents. The City of Bryan is always looking for ways to expand our recycling programs and will continue to explore the idea of curbside recycling. The City has a very successful Drive-In Recycling Center which is not only open to our residents but to surrounding communities as well. Our recycling numbers and tonnages are very comparable to a curbside collection operation in a similar sized city. In addition, the Drive-In Recycling Center offers a more cost effective way of collecting recyclables.

Bryan Compost Facility

2988 Pleasant Hill Rd., Bryan, Texas 77807
(979) 361-0859 / (979) 361-0860 Fax
Hours: Monday-Friday 8:00 a.m. - 5:00 p.m.
Saturday 7:30a.m. - 3:30 p.m.

Is City of Bryan compost safe for my yard or garden?

The bio-solids entering the Compost Facility is tested quarterly to ensure it meets the Texas Commission of Environmental Quality's numeric limits. The composting process further eliminates harmful pathogens by digesting the materials by following the state's guidelines to meet PFRP (Process to Further Reduce Pathogens). The finished product are also tested quarterly to ensure compliance for pathogens, metals, salts, germination, and much more.

Where exactly is the Compost Facility located?

From the intersection of Harvey Mitchell and S. H. 21, drive approximately 2 miles North on Harvey Mitchell (F.M. 2818). Turn left at the yellow flashing light on Sandy Point Road (F.M. 1687). Proceed down Sandy Point Rd. for approximately 1/2 mile and take the first left on Pleasant Hill Rd., the facility is located on the left. For more information please call us at (979) 361-0859

How much does the compost cost?

Residents and businesses are able to purchase City of Bryan Compost at a fraction of the cost found elsewhere. The charges are as follows:

1-25 Tons = \$28.00 26+ Tons = \$20.00 **One ton of Compost is approximately 2.0 yds³**

Please note that woodchips are FREE!!
